## We're Here to Help!

# Hello!

**My name is Gerald Lodge**  
and I am your local Tufts Health Plan  
Medicare Expert.

Having worked in the Medicare industry since 1998, I understand that the health care system can be somewhat overwhelming. That is why I have dedicated my career to educating consumers on their Medicare options and assisting them through the complex enrollment process. I pride myself on providing personalized service to every individual I encounter—whether in a community presentation or a one-on-one discussion—so that everyone I work with feels prepared to make informed decisions about their health care. If you're looking to join a Medicare plan or switch from your existing one, I'd be happy to help you get started.
