Once brought to the fee schedules page, you can either download the full file by selecting either file option

[Download .csv](#) | [View or Print PDF](#)

I suggest selecting the Download.csv file, as it is easiest to navigate and search an excel file.

You may also search for a specific CPT & Mod, CPT & Mod range, Facility, or insurance as outlined below. (Please note, you are not required to enter information in all fields listed to generate results.)

The screenshot shows the 'Fee Schedules' search interface on the Northeast Physician Hospital Organization website. The page has a blue header with the organization's name and contact information. Below the header is a navigation menu with links for Services, Provider Information, Meetings Calendar, News & Resources, and About Us. The main content area is a blue box with the title 'Fee Schedules'. Below the title are four search criteria: 'Specific CPT & Mod', 'CPT & Mod Between', 'Facility', and 'Insurance'. Each criterion has a corresponding input field. The 'Specific CPT & Mod' field contains 'Ex. 'A0021'', the 'CPT & Mod Between' field contains 'Ex. 'A0021'', and the 'Facility' and 'Insurance' fields are dropdown menus with 'Select One' selected. A 'Search' button is located to the right of the input fields. Below the search area is a 'Services' button.
