Who is eligible for Prescription Advantage?

Prescription Advantage is available to Massachusetts residents who are:

- + Age 65 or older, eligible for Medicare, and have a gross annual household income less than 500% of the Federal Poverty Level, or
- + 65 years of age or older and not eligible for Medicare, or
- + Under age 65, work no more than 40 hours per month, meet MassHealth's CommonHealth disability guidelines, and have a gross annual household income at or below 188% of the Federal Poverty Level.
- + Not MassHealth or CommonHealth members*

*In some cases, individuals receiving assistance from MassHealth to pay for Medicare Part A and/or Part B premiums, deductibles, and co-payments may still be eligible for Prescription Advantage.

How Does Prescription Advantage Work with a Medicare Part D or Creditable Coverage Plan?

Prescription Advantage supplements prescription drug benefits by helping to pay for medications covered by Medicare Part D or creditable coverage plans**. Membership category determines when Prescription Advantage benefits begin. At that time, members pay no more than Prescription Advantage co-payment amounts.
